Description:

Two Gites to rent near Egliseneuve-des-Liards, Puy-de-Dome

The Gîte of La Verrerie is situated in a hamlet near the village of Egliseneuve-des-Liards, which is near the small town of Sauxillanges in the Bas Livradois area of the Livradois Forez National Park.

Open all year round we offer you the chance to enjoy whatever style of holiday best suits you. If you would like to take a relaxing break exploring the art and culture of a region inhabited from prehistoric times, then we have everything you could want. If, however, you are looking to try something a little more adventurous or exciting then we can certainly meet your requirements here too.

The Gîte at La Verrerie is a traditional Auvergnate farm house which has been extensively renovated to create two self-contained homes, retaining many original features such as the exposed pine roof beams in most rooms. Each of the cottages can accommodate four people with a double and a twin bedroom. The cottages may be rented separately or together. There's a large garden of some 3/4 acre, with several terraces of lawn, mature fruit trees and shrubs with fabulous views across the entire chain of puy from Puy de Dome in the north to Puy Sancy and Mont Dore and onwards to the Cantal.
